

TOP 100

COMPANIES HELD BY OUR MEMBERS

The ranking of companies in the Top 100 and Top 200 lists is sourced from the actual holdings of clubs subscribing to the myICLUB.com club accounting portal for the calendar year ended Dec. 31, 2023. The Total Value of Shares Held by our community is derived from actual club holdings and the propensity for members to hold the same company stocks in their personal portfolios.

Last year's Big Movers showed an acceleration toward stocks involved in the electric vehicle industry. In 2023, we see a diversified list of Big Movers: from the healthcare sector, Eli Lilly & Co., ResMed, Vertex Pharmaceuticals and Zoetis (medical products for animals); technology, Palo Alto Networks, Broadcom and Taiwan Semiconductor Manufacturing Co.; consumer defensive, Fortinet and CrowdStrike; and financial services, Charles Schwab. Three of our Big Movers were on this list last year: Lilly, Vertex and Taiwan Semiconductor. Security firms CrowdStrike and Fortinet seem like timely choices, with cybercrime's rampages for 2023 costing \$10 billion in the U.S., the FBI reports.
